

SCIARR · D'Alesio

Bo Bò

Bo Bò is an artigianal truffles made with extra virgin olive oil **SCIARR**, realized by the cooperation between the Master Stefano Laghi and Serena D'Alesio.

Italian milk chocolate, extra virgin olive oil **Sciarr Oro DOP** and covered with Venezuelan cocoa, are the main ingredients of this delight, the chocolate gives a nice sense of refreshingly crisp and oil gives a sense of melting.

Great for dessert, delicious during the day.
